Hilton Seychelles Labriz Resort & Spa, Secluded, Superior & Strikingly Beautiful

SEYCHELLES – 24th July, 2014 - Approached from a distance, Silhouette Island is a striking sight with a tropical forest and an imposing mountain whose peak tips into a crown of clouded glory. Located along a 2.5 km stretch of powder-soft beach, Hilton Seychelles Labriz Resort & Spa fuses together the separate elements of relaxation; pristine beaches, modern and spacious villas, a first class spa and fine dining, with exciting activities like trekking through one of the largest National Parks in Seychelles, or exploring the surrounding National Marine Park.

Just a 20 minute helicopter transfer from Seychelles International Airport, Mahé and a 45-minute boat trip via Bel Ombre Jetty, Hilton Seychelles Labriz Resort & Spa offers guests five spacious, contemporary, private and peaceful villa categories, each infused with tropical chic style. The jewel in the crown of the resort is the Presidential Villa, offering panoramic views of the spectacular mountains or the pristine beach. Deluxe Hillside Pool Villas and Deluxe Beachfront Pool Villas each feature a private pool set in a secluded garden and a large circular bath tub, perfect for romance. The elegant Beach Villas meander discreetly along the seafront, emerging from the vegetation, mere steps from the beach; while the Garden Villas are set within the verdant natural surroundings of the island, offer a truly back-to-nature experience with all the amenities expected from a luxury resort.

At the heart of the resort, by the beautifully landscaped infinity pool, lies an excellent selection of Labriz's bars and dining venues, including the Italian Portobello Restaurant, a gastronomic experience with an expansive wine cellar serving some of the most exclusive wines from all over the world, while beachside Sakura serves Sushi and East Asian cuisine with a modern edge, Cafe Dauban serves a delicious variety of international and local delicacies, while Pizzeria presents freshly prepared authentic pizzas and Italian bites. Central to the Labriz experience is the Grann Kaz Plantation House. Renovated to its former glory by experts the Grann Kaz allows guests to experience the unique grandeur of a Seychellois plantation house. The ground floor of this magnificent building is home to the resort's traditional Creole restaurant, serving local Créole cuisine on the terrace and in the gardens. For a more relaxed evening Lo Brizan bar is perfect for relaxing by the pool after dinner with cocktails and live music, while taking in the spectacular views over the Indian Ocean.

Silhouette Spa at Labriz is one of the most strikingly beautiful spas in the world, designed to bring the elements of nature closer to guests and to offer an organic, raw and natural ambience with a treatment menu to match. The spa boasts spacious indoor and outdoor couples therapy suites, which offer unrivalled views of the jungle-clad slopes of Mount Dauban and the Indian Ocean. The comprehensive Spa Menu ranges from instruction in the ancient art of Yoga to the pacifying effects conveyed by the secrets of Balinese therapies, to Seychelles island spa rituals leaving you feeling cleansed and revitalised.

The 'launching point' for all on-island and sea pursuits, the Eco Centre, affords guests the chance to discover the marine world of the Seychelles, as well as Silhouette Island through hiking and exploratory journeys of the island's natural biodiversity. Hilton Seychelles Labriz Resort & Spa has the only 5-star National Geographic PADI diving center in the Seychelles region. Furnished with a decompression chamber and equipment suited to divers of every experience level, adventure is assured. Back on dry land fascinating guided mountain walks through the jungle with the resident naturalist explains and brings to life the spectacular sights and wildlife endemic to this equatorial forest.
