Silhouette Spa – Hilton Seychelles Labriz Resort & Spa, Silhouette Island

SEYCHELLES – 24th July, 2014 - Snuggled on a hillside between ancient rock and sprawling jungle, Silhouette Spa at Hilton Seychelles Labriz Resort & Spa, is comprised of six couple treatment suites set upon stilts amidst a striking landscape with a magnificent vista over the Indian Ocean.

A modern, spacious spa with an open-air design which incorporates the natural granitic boulders characteristic of the Seychelles, Silhouette Spa is a unique retreat that extols the healing virtues of nature and was awarded "World Travel Awards' Seychelles Leading Spa Resort" in 2013. Using a combination of local ingredients and processes enhanced by treatments from all-natural, organic product ranges Li'tya. The range is inspired by the restorative, invigorating and clarifying properties of botanicals and aims to nurture a person's, mind, body and soul.

As well as bespoke treatments the Signature Silhouette Spa massage rituals feature alongside jet-lag recovery treatments, Seychellois coconut and sugar scrubs as well as a selection of beautifying treatments from facials to pedicures. The comprehensive Spa Menu ranges from instruction in the ancient art of Yoga to the pacifying effects conveyed by the secrets of Balinese therapies, to Seychelles island spa rituals leaving you feeling cleansed and revitalised.

Both Li'tya and Silhouette Spa are 'inspired by nature' and encourage a deep spiritual connection to the natural world. Where better to reconnect with the environment in sensory bliss, than in this stunning spa on the edge of the lush vegetation of Silhouette National Park, with its exotic blooms and rare species, endemic to the isle.

Indoor and outdoor therapy rooms suspended at tree-top level offer unrivalled views of the tropical jungle and the Indian Ocean, while the outdoor thermal treatment lounge; Degrees, comprising of steam, sauna, Jacuzzi, rain shower and a plunge pool, invites guests to enter a sensual state of relaxation.

Enjoy the luxury of one of our couple's suite while indulging in a truly blissful treatment. The tailor-made two hour experience begins with a soothing foot bath, allowing the body to be nourished with warm essential oils and a tailor-made massage followed by a harmonizing facial performed by our experienced therapists. Complete this revitalizing romantic experience with a glass of champagne on our private deck, overlooking the sparkling Indian Ocean.

Silhouette Spa offers guests a complete wellness experience, drawing on traditional Seychellois therapies blended with the centuries old expertise of Australian Aboriginal botanical healing. Hilton Seychelles Labriz Resort and Spa allows guests to cast themselves adrift, while enveloped in luxury.
